2026 Integrated Energy Policy Report (IEPR) Update Workshop Schedule

11.6.2026

Workshops support the development and adoption of the *2026 IEPR Update.* All 2026 workshops are expected to be held remotely via Zoom. A formal notice that includes an agenda and attendance information will be posted on the CEC's website at least ten days prior to each meeting. Until then, dates, title, and venue are subject to change.

November

- November 12 (Thursday) | Commissioner Workshop on Load Modifier Energy Demand Forecast Draft Results, 10am – 3:30pm

December

- December 14 (Monday) | Commissioner Workshop on Draft Energy Demand Forecast Results, 1pm – 4pm
